

Monthly Update

July-August 2023

ENplus[®] in cooperation with RIKA, ÖkoFEN and Wonterspan organise a tour in Belgium to promote the use of high-quality wood pellets. The events will take place from the 19th until the 22nd of September in Brussels, Antwerp and Liège. [Learn more here.](#)

Our latest combo interview with Wim Vanlede from RIKA and Karel Van Wouterghem from ÖkoFEN reveals how advanced the latest pellet appliances are. [Check it out here.](#)

The ENplus[®] Management organises the Market Surveillance Project - an initiative that aims to analyse ENplus[®] certified bags randomly taken from the market in order to assure compliance with the ENplus[®] standards. Anyone can contribute to the project by submitting a sample via [this form](#).

New brochure explaining the certification process to applying companies is now available on our website.

[Check it out here.](#)

Do you know?

Italy is the leading country in Europe in regard to residential pellet consumption in 2022. But do you know that Germany and France come in second and third in this ranking? More on the market development can be found in Bioenergy Europe and European Pellet Council's [Preliminary Pellets Report 2022](#).

“Choosing Certified Pellets” is a video series that explains what makes ENplus® a leading wood pellet certification scheme, how it impacts the market and much more. [Check it out here.](#)

Our next training for inspectors of pellet plants will take place in Vienna, from 4th to 6th September. The event is organised for inspectors who want to perform ENplus® inspections of pellet production plants and pellet trader facilities. [Learn more.](#)

QUALITY MANAGERS *Training*

- [Zagreb, Croatia](#) – 07.09.2023
- [Sandomierz, Poland](#) – 26-27.09.2023
- [Brussels, Belgium](#) – 30.11.2023

The main focus of the training event will be the new requirements brought with the revised documentation.

The quality managers of the certified companies should complete a training every certification period.

The next edition of European Bioenergy Future (EBF) conference will take place on 28-30 November 2023 in Brussels. Stay tuned for updates!
