## Monthly Update

May 2020

Hey <<First Name>>,

We've got some updates!

First, we are looking for a new certification officer, because earlier this month we've had to say goodbye to our beloved Alessia, who went to search for other opportunities.

Second, we've recently made the Swedish and Austrian version of our website live!

Lastly, we are ending this month nearing 1000 certified companies! We've added a few graphs as a preview but there's more to come. We'll

post them all on our LinkedIn in the coming weeks!

Stay safe and we wish you a sunny weekend!

Sincerely,

The ENplus® Head Office
