

Monthly Update

May 2021

Read our new **ENplus[®]** interview with Rudolf Angeringer from certified company Mayr-Melnhof Holz Holding AG, in which he shares his expectations about a greater demand for high quality pellets.

We have recently finished the French version of our Quality Managers e-learning training! **You can register for access with this link.** For the English version, **you can register here.**

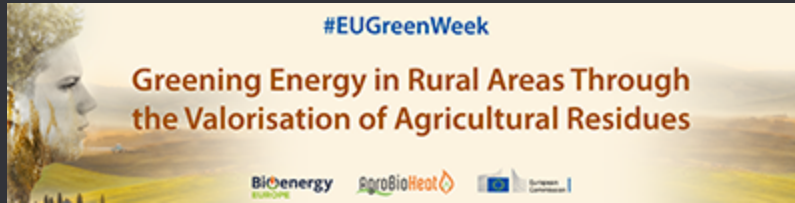

Our special focus this month is Brazil! Production of premium **ENplus[®]** pellets has significantly increased since 2016. **Check out the graph here!**

We are partnering with pellet equipment manufacturers and pellet trading platforms. **You can find our current partnerships here!** If you are interested in partnering with **ENplus[®]**, **contact us via this email.**

Bioenergy Europe is holding their Working Group on Agricultural Biomass and Energy Crops on **June 3rd, 2021**. [Register here for the Working Group!](#)

This event co-organised by Bioenergy Europe and AgroBioHeat project will present how better mobilization and valorisation of agri-residues can promote the greening of rural areas. On **June 11th, 2021**, representatives from EU institutions and the industry will outline how agro-biomass can play a key role to achieve EU climate targets, promote rural development and circular economy. [Register here for this upcoming event!](#)

The International Biomass Congress & Expo, presented by Bioenergy Insight and partnered by ENplus[®], aims to bring leading producers, suppliers, regulators, and other engaged organisations together over a two day period. [Register here for this exciting event in October!](#)
