Monthly Update

September 2021

Read our [new ENplus® interview with Goran Ivanovic](#) who believes that ENplus® has significantly changed the pellet market in Bosnia and Herzegovina. >>

We have trained more than 150 Quality Managers through our Quality Manager E-learning Training and recently finished the Polish version! [Register here for the e-learning courses in all available languages.](#) >>

Our special focus this month is Russia! Production of ENplus® pellets has significantly increased since 2014, especially this year! [Check out the graph here!](#) >>

The Quality Managers Training in Poland was a great success! Follow us on [LinkedIn](#) to make sure you don't miss the next Quality Managers Training near you.

Bioenergy Europe is holding their Working Group on Domestic Heating on **September 30th, 2021**. [Learn more about the working group here!](#)

The Biomass Expo has been postponed to **March, 2022**. [Learn more about the expo here!](#)
