Monthly Update

SEPTEMBER 2022

After a few years of extensive consultations, the European Pellet Council concluded the revision of the ENplus® certification scheme and published the new documentation. The new requirements for certified and applying companies come into force on 01 January 2023. [Read this article](#) to learn about the key changes.

The full new ENplus® documentation is available [on our website](#).

Read our latest interview with [Matthew Goodwin from the UK Pellet Council](#) on the dynamic situation in the United Kingdom and the ENplus® impact.

We have been receiving a growing number of signals for scams lately. [Learn how to recognise and avoid scams here!](#)

QUALITY MANAGERS Training

- [Lidköping, Sweden](#) – 06 October 2022
- [Gembloux, Belgium](#) – 13 October 2022
- [Geldrop, The Netherlands](#) – 08 November 2022

The main focus of the training events will be the new requirements brought with the revised documentation. The quality managers of the certified companies should complete a training every certification period. >>

The ENplus® Quality Managers Training in Bosnia & Herzegovina was met with huge interest and a full room of pellet professionals.

European Bioenergy Future 2022
