We are glad to inform you that Econotech services Ltd. is now an ENplus® listed Testing Body. Find out more about the company [here](#).

[Translate](#) ▼

The ENplus® certification is known to be the only wood pellet quality scheme on the market to constantly combat fraud and follow up on quality issues. These efforts were recently supported by a special operation executed in Italy. [Full story here!](#)

Have a look at the video above to learn about our fraud management and how you can easily identify a fraudster.

- [Nowy Tomyśl, Poland](#) – 14-15.12.2022
- [Geldrop, The Netherlands](#) – 26.01.2023 (NEW DATE)

The main focus of the training events will be the new requirements brought with the revised documentation. The quality managers of the certified companies should complete a training every certification period.

The European Pellet Forum is a new annual event

[Subscribe](#)[Past Issues](#)

targeting businesses active in pellet use for domestic and commercial heat supply. The first edition will take

[Translate](#) ▼

place on January 18th, 2023 in Graz, Austria, and will address topics such as the international pellet market development, expectations for pellet stove and pellet boiler markets and current developments of European policy frameworks. [Learn more.](#)

We remind you that the new ENplus® documentation is already [available on our website](#). [Read this article](#) to learn about the key changes.
