

Interview

During the summer, [Agribiomass srl](#) met all the requirements to become ENplus® certification body. You can read our [interview](#) with Michela Bruschini to learn more about their motivation to join the certification scheme.

Milestone

The ENplus® certification scheme now has more than 1300 certified companies. We are thrilled to welcome all the newly certified companies and are happy to observe the growth in active certificates.

More than a Decade with Us

The Estonia-based pellet producer, [Warmeston OÜ](#) took part in our campaign “More Than a Decade with Us” which tells the inspirational stories of the companies loyal to the scheme for over a decade. [Check out the article about Warmeston here!](#)

ENplus® inspectors' training and workshop

Training for inspectors of pellet plants in Vienna

11th ENplus[®] Inspectors' Workshop in Brussels

Earlier this month, an ENplus[®] training for new inspectors took place in Austria as well as a dedicated workshop for ENplus[®] inspectors was held in Brussels. Thank you to all the motivated professionals who attended both events.

New Testing Body

Alfred H Knight North America is a newly listed testing body for ENplus[®] located in the United States. Visit our [Conformity Assessment Bodies](#) page to see their contact details.

New colleagues

We have welcomed two new colleagues to the ENplus[®] Head Office - Valentins Kuksinovs as a Certification Project Manager and Andrei-Nicon Andone as a Junior CRM Administrator.
