

Accreditation

After a few years of assessment, the world-leading certification scheme for wood pellet quality, ENplus[®] has received recognition from the [European Cooperation for Accreditation \(EA\)](#), meaning that the scheme meets the EA's standards for accreditation. [Learn more here.](#)

Interview

Certified companies are encouraged to get familiar with The EU Deforestation Regulation (EUDR) and prepare for its application that is coming in the end of this year. Ileana Repaci from [Bioenergy Europe](#) shares [more on the topic.](#)

The Pellet Quiz

Now, online users can test their knowledge of wood pellets with our interactive quiz. This initiative aims to increase consumer awareness of the use of wood pellets and the importance of the ENplus[®] certificate. [Try it out!](#)

Trademark Protection

A new page dedicated to the ENplus® trademark protection was added to our website. [Check it out](#) to learn more on the topic.
