

More Than A Decade With Us

Our campaign “**More Than a Decade with Us**” continues this year with more inspirational stories of the most loyal companies to ENplus®. We have the pleasure to introduce you to the Romanian pellet producer **S.C. Losan Romania s.r.l** who has been with us for more than 10 years. Check out the [article here](#).

Interview

The **Bioenergy Europe's**, Market Intelligence Director, **Jérémie Geelen** shares with us why he chose to heat his home with wood pellets. Read [the interview here](#).

Shorts

We've launched a **new video series called Shorts** that provides basic information about the certification to pellet consumers. Check it out [on our YouTube channel](#).

Accreditation

ENplus® has received recognition from the **European Cooperation for Accreditation (EA)**, meaning that the scheme meets the EA's standards for

accreditation. [Learn more here](#). We offer dedicated trainings to all national Accreditation Bodies, members of the EA, that are interested in providing accreditation services to Certification Bodies for including ENplus® in their scope. Interested national Accreditation Bodies can [contact us](#).

Do you know?

Sales of pellet stoves increased **by 22% in France and 18% in Italy in 2024**. Meanwhile, sales of pellet boilers in Austria returned to a historic high thanks to subsidy scheme. If you are curious to learn more about the residential pellet market, [become a member of Bioenergy Europe](#) and get access to the latest statistics and trends.

E-learning training

The e-learning training course is available in **English, French, Ukrainian and Turkish** for the quality managers of certified companies in countries where we will not organise an in-person training this year. If you are a quality manager of a newly certified company that has not yet passed such a training or if you have not passed the training within the current certification period of your company, check out the upcoming in-person training events listed below or register for [the e-learning one](#). The e-learning training is also open to non-certified companies.
