

Monthly Update

October 2025

Second Editions

The second editions of the ENplus[®] ST 1001 and ENplus[®] ST 1003 standards have been [published on the ENplus[®] website](#). Even though the documents do not introduce major changes, we invite all stakeholders to review them. A detailed look of the changes is also provided in the comparison documents - [Changes of ST 1001](#) and [Changes of ST 1003](#).

Anniversary

ENplus[®] celebrates its 15th anniversary this year. Since its establishment in 2010, ENplus[®] has played a defining role in shaping a reliable and transparent pellet market. Learn more about the anniversary campaign [here](#).

Interview

Beate Schmidt-Menig was the chairwoman of the German Energy Wood and Pellet Association (DEPV) at the time when ENplus[®] was founded. Check out an interview with her [on our website](#).

Quiz

As part of the scheme's anniversary, we have published a fun quiz to test your knowledge of the ENplus® certification. The quiz is open to any online user or stakeholder of the scheme who wishes to participate. Those who answer all the questions correctly will win a branded thermos flask. [Take the quiz here!](#)

Be alert

ENplus® management has received an increasing number of reports of scams. [This article](#) provides advice for certified companies and end users on how to protect themselves.
