New Partner

We are excited to share that the Italian brand **Kalor** is now our partner. Kalor stoves represent the excellence of Made in Italy design for home heating, where the solidity of artisan tradition meets the contemporary frontiers of technological innovation.

Do you know?

A credible Heating and Cooling Strategy should make it easier for citizens and businesses to switch to modern renewable heating solutions, including sustainable bioenergy. In this [Heating and Cooling Lab video](#), **Irene di Padua highlights one of the practical priorities in Bioenergy Europe's recommendations for the EU Heating and Cooling Strategy**: accelerating the replacement of outdated and inefficient heating systems.
