Monthly Update

October 2026

Empowering Consumers for the Green Transition (EmpCo)

The EmpCo Directive is one of the European Union's most significant pieces of consumer protection legislation in recent years. Learn what pellet producers and traders must take into account to comply with the new rules here.

More Than A Decade With Us

Biomasa Partner Group began as a company focused on supplying wood biomass. Today, it's one of Poland's leading producers and suppliers of certified biomass products, serving customers across Europe. Find out their story here.

Interview

Szabolcs Szalay, a policy officer at Bioenergy Europe, provides thorough information on the EUDR and explains how pellet companies can prepare for the new regulation which comes into effect at the end of this year. The full interview is available here.

FAQ

We have updated the FAQs on our website. You can now find information faster and more easily.

National Support Schemes

Consumers of pellets from across Europe are eligible to apply for financial assistance when purchasing pellet boilers and stoves to replace outdated appliances. Please refer to our interactive map, which provides information about the support schemes available in many European countries.
